CLASS IX

ABM/CIR/20-21

April 2020

Dear Parent

With the reintroduction of Board Examination in Class X from academic session 2017-2018 by CBSE, there are changes in the assessment structure of Class IX. The new assessment structure is as follows:

Component	Weightage
Internal Assessment: 1. Pen Paper test (5 Marks) 2. Portfolio Submission (5 Marks) 3. Subject Enrichment Activity (5 Marks) 4. Multiple Assessment (5 Marks)	20 Marks
Final Examination	80 Marks
Total	100 Marks

It has been observed that students take their Internal Assessment lightly and do not participate in subject enrichment activities or submit assignments on time. We would like to inform you that Internal Assessment has a **direct impact** on the **Final Result of your ward**. We would therefore advise you to kindly go through the following instructions carefully.

1. Examination

- Following assessments will be carried out throughout the session as per the schedule given below:

ASSESSMENT	MARKS	MONTHS
3 Periodic tests	25 each	May, August & November.
Mid Term Examination	80	September
End Term Exams	80	January & February

- Multiple assessments will be conducted throughout the year
- The student has **to** appear for **each** of the periodic tests, Mid-Term Examination and Pre-Board Exams.
- Marks of Internal assessment will be added to the Mid-term Examination and End-Term Examination.
- End-Term Examination will be based on the complete syllabus of Class IX.
- If a student misses any test/ examination he/she will be awarded ZERO for the same.
- **NO RETEST** will be allowed, under any circumstance, except if the student is representing the school in a co-curricular activity.

2. Pass Criteria

- In order to be declared as having passed Class IX Examination, a student **must obtain a minimum of 33% marks** in **both** the Internal Assessment **and** the Final Examination and in each of the five subjects individually.
- If a student scores less than 33% in two subjects, it will be considered as compartment, and he/she will have to write the compartment exam and score a minimum of 33% for promotion to Class X.
- If a student scores less than 33% in more than two subjects, he/she will be considered detained in Class IX.

3. Co-Scholastic Assessment

- Co-Scholastic assessment will be based on a five point grading scale which will include Art Education and Health and Physical Education. Health and Physical Education will include assessment in individual games, group games, physical exercises and a component of Social Empowerment through Work Education and Action.

- CBSE will issue a Health and Activity card based on the assessment carried out by the School.

4. **Discipline**

- This will be assessed along with Co-Scholastic assessment on a five point grading scale based on attendance, sincerity, behaviour and values.
